The file contains a list of Stations at which Medical Officers are allowed to live in Govt buildings, free of charge. Tumkur is not mentioned in that list, probably because there is no Govt building available for occupation by the Asst Medical Surgeon

Under these circumstances, it is submitted that actual house rent not exceeding Rs. 20 per mensem may be sanctioned to the Asst Surgeon in charge of the Sunkara Dt, as recommended by the Dist Surgeon

3) Tenkasi is the only place where no free quarters exist. Where buildings were available, they have been given apparently. The Med Offrs have not been declared entitled to free quarters generally. I think the recommendation may be sanctioned, as the question was for a long time in correspce before it was passed.

Mr Nanjappa will of course draw only the amounts actually paid by him for house rent, not exceeding 20 Rs a month.

Now is there any amount to be withheld from subsequent pay? If so, how much?

Intimate accordingly.

I was in Mysore where I was paying house-rent at Rs 40/- a month. From May to November 1900, I was paying here Rs 10/- a month, and I now pay Rs 7/-.

The building that I now occupy consists of two incomplete mandi Shops with an enclosure containing Stone mantapams for the use of travellers. The rent that is now paid does not represent the full rent that may be charged for a building of the kind when it is utilized for the purpose for which it is intended. If Government be pleased to sanction a fair amount for house-rent I shall draw only such sum monthly out of the amount sanctioned as I may actually have to pay.

I beg to be permitted to add that a fairly well-built house in the new Southern extension lets at Rs 15 to Rs 25 a month.
